September 1 "A God who marks His covenanted people is telling them something important about the power of sex and its control and its proper place within the divine-human economy: It comes to us as a gift, to be used for its purposes and no other, and its abuse will sully the soul of man. Its proper use in marriage is a great mystery, a great gift which was given for the protection of all. It doesn't always work out that way, sadly, but its imperfect practice is no excuse for throwing it all away for what we see today." *James M. Kushiner, The Fellowship of St. James – A Life Quote from Lutherans For Life • www.lutheransforlife.org*
