Psalm 68:4-6

God praises to his name; lift up a song to him who rides through the clouds. His name is the LORD; exult before him! Father of the fatherless, God of widows is God in his holy habitation. God settles the solitary in a home. He leads out the prisoners to prosperity, but the rebellious dwell in a land of gloom.

years before Elizabeth had the joy of seeing, in her own body, that God had not forgotten me,' she said. The proof was the baby growing inside her, though she was an old woman and I don't need to wait so long. God has looked on us, too. The proof is the baby Mary—God's own dear Son Jesus, Who came to be your Savior. In Jesus, you can see that He has looked on you with love—He has even made you His own child. You are are beloved." *Dr. Kari Vo, Lutheran Hour Ministries – A Life Quote from Lutherans For Life • life.org*
