"[T]he family is universal. Individuals meeting from different cultures do not have to explain to each other what a family is. The family lies at the quantum level of human society. Family life is deeply rooted in an area of mystery we do not fully understand. Like a tree, it is living, rooted, and nourished by the soil of the past and reaching up into the future. It is not manufactured. Although socially reinforced, it is not 'socially constructed.' It is a precious Gift." *James M. Kushiner, The Fellowship of St. James – A Life Quote from Lutherans For Life • [www.lutheransforlife.org](http://www.lutheransforlife.org)*
