"Let's also recruit, instruct, and support more couples and families toward opening their homes to serve children in need. Multitudes—majorities, even—of foster families and adoptive parents confess Christ and consider themselves for-life. More foster parents—not fewer children—seems the most praiseworthy solution to foster care failures. And those who can recognize those failures may just be the most excellent candidates for the vocation!" *Pastor Michael Salemink, Lutherans For Life – A Life Quote from Lutherans For Life • lutheransforlife.org*
