“The science is conclusive: Human life starts at fertilization. The Bible is conclusive: Life is from God, it begins at fertilization, and God’s commandment of ‘You shall not murder’ (Exodus 20:13) certainly applies to the slaying of an innocent child in the womb. Because that little baby in the womb IS a human being.” *Pastor Paul Clark, President of Lutherans For Life of Michigan – A Life Quote from Lutherans For Life • lutheransforlife.org*
