Prelude – Welcome – Announcements

Call to Worship Psalm 147:1, 10-11
Praise the LORD! For it is good to sing praises to our God; for it is pleasant, and a song of praise of fitting. His delight is not in the strength of the horse, nor his pleasure in the legs of a man, but the LORD takes pleasure in those who fear him, in those who hope in his steadfast love.

“Please rejoice in knowing prayer works and keep praying for the states who still haven’t banned abortions and for those states trying to ward off those who want to bring it back. We are not done praying and never will be. God is on our side, and He has a plan. We need to stand firm and with faith never give up praying. God controls the power of prayer, and He is amazing.” Virginia Flo, Lutherans For Life – A Life Quote from Lutherans For Life • lutheransforlife.org
